Debbiehahsvaughn: Are there limitations on supporting evidence that can be provided other than it needs to be submitted as PDF (e.g., page limits)?

CDL UCF: Thanks for the question. We will relay this to the presenters.

Debbiehahsvaughn: How many applications are usually received for this? I'm just trying to gauge the extent of competition!

CDL UCF: Haha good question. We will relay this as well.

Corrinne Stull: Hi Debbie! There is a new process for this year, but in previous years it has been about 10-15.

CDL UCF: Thank you everyone! Enjoy your day and don't hesitate to reach out to your ID if you have any additional questions.
