

Five

Steps for Success in Accelerated Courses

1

Connect with the faculty member prior to the class.

2

Purchase materials prior to start of class. (Have all required materials prior to the start of class. Check for emails or reach out to the faculty member with suggestions on what to do to get started.)

3

Read the Syllabus and identify important dates, assignments and assignment requirements, deadlines.

4

*Familiarize yourself with Webcourses@UCF (Canvas platform) for students and complete the **Webcourses@UCF student tour** and explore success strategies at **Knights Online**.*

5

Time management – create a schedule for yourself. Do not procrastinate.
